### Reflection:

- Name a piece that didn't sound like you thought it would from the title. Why did it surprise you?
- Which piece would you be interested in performing at a future concert? Why does it appeal to you?
- Name a piece that you think would be difficult to learn. What makes it challenging?
- What kind of sound effects and musical moments make the Halloween pieces sound spooky?
- What instruments or musical characteristics sound most like the holiday season to you, and why?
