### SEEKERS OF THE LIGHT

#### *A Cantata for Christmas*

**By Lloyd Larson  
and Mark Hayes**

#### **Narration by Pamela Stewart**

The world was lost in darkness. Roman oppression weighed heavily and God's people were awaiting a Messiah. There were astrologers... literally following the light of the heavens and prophecies of the coming Messiah. But there were other "seekers of the Light": Mary and Joseph, simple shepherds in a field, and the prophets. Then, it happened. The Light of the World was born. Follow the respective journeys of these "seekers of the light" to learn what we can from their sojourns. (30 minutes).

### Peace Has Come (Mary McDonald)

Mary and Joseph were initially troubled, but eventually found peace. Shepherds on a hillside were trembling with fear, but were told to "fear not." In Peace Has Come, we follow the journey of those who experienced that first Christmas night...and found peace in a new and fresh way. In the process, the listener is challenged to lay aside those illusions that promise peace, and

embrace the Giver of true peace and abundant life. Create an unforgettable Christmas worship experience with *Peace Has Come*.

### **God Is With Us** **A Festival of Carols and Classics** (Arr. Tom Fettke)

*God Is With Us* is a celebration of a miracle: the appearance of God on earth in the body and human soul of Jesus Christ. C.S. Lewis calls this amazing birth "A grand miracle. Every other miracle prepares for this, or exhibits this, or results from this." The Incarnation is a sacred event so thrilling, so humbling, so mystifying

that we must stand breathless in wonder and awe. *God Is With Us* tells the Christmas story using choir, soloists and a scripture narrative. The accompaniment may be simply piano and/or organ. If you have the resources, the magnificent full orchestration is available for purchase (there is a smaller chamber orchestration as well). As is always the case with major works, Alfred offers recorded orchestral accompaniment.
