Alfred's IPA Made Easy

A Guidebook for the International Phonetic Alphabet
By Anna Wentlent

How many years has it been since your last diction class? This handy 5.25" x 7.25" guidebook is an easy reference for the symbols used in IPA: what they look like and how they are pronounced. Example words for every symbol are included in English, Latin, Italian, German, French, and Spanish. And an online resource includes recorded demonstrations of every sound. A clear and concise tool for singing in foreign languages, equally useful in the choir room and the vocal studio.

GATEWAY SERIES

Edited by John Glenn Paton

This series of coordinated manuals and anthologies helps students to move beyond diction to clear understanding and authentic style. Thomas Hampson says the series "not only achieves an excellent study of the tools for proper translation and diction, it goes much deeper (and more importantly) to the teaching of musical and poetic expression from the inner side of language."

Gateway to Italian Diction

Every Italian example word or phrase is translated into English and is also spoken perfectly on the included CD by linguist and native Italian Dr. Anna Siragusa.

Sing at First Sight . . . More Melodies!

Reproducible Exercises for Sight-Singing Practice

By Andy Beck and Brian Lewis

Augment your sight-singing curriculum with this supplemental exercise book that directly correlates to levels one and two of Alfred Music's popular *Sing at First Sight* method. Every melody in this reproducible resource appears in both treble and bass clef, and the Data CD includes digital files of the entire book for printing and projecting. *More Melodies!* is highly effective when used on a routine basis after each of the sequential lessons, as needed for additional drill to master challenging concepts, or as a general review following the completion of the original textbooks.
