Dear Music Educator,

What a phenomenal year it has been here at Alfred Music! Thanks to the support of music educators and conductors like you, our choral and classroom catalogs have grown even larger, now offering more octavos and books than ever before. After many years of leadership from our recently-retired mentor Sally K. Albrecht, the Alfred Music choral team is just as strong as ever. Our talented group of well-known and newly-discovered writers have outdone themselves, creating a truly exceptional new release, which offers outstanding performance music, useful classroom resources, exciting vocal collections, and more. As you review the wide variety of materials in this booklet, feel free to visit alfred.com to view sample pages of all our newest publications. Thank you for your continuing support of Alfred Music and our commitment to providing you with materials designed to educate, engage, entertain, and inspire.
