# MARCHING & PEP BAND

## SERIES GUIDELINES

### ALFRED MARCHING BAND TITLES HAVE A NEW LOOK!

Be sure to look for our new cover designs at your favorite local retailer or online when you're shopping for new marching band music this year.

#### DIAMOND SERIES | Grade 3-4

**Instrumentation:** Full marching band instrumentation with three trumpet parts and two trombone parts. Woodwind parts are written for maximum projection and have independent scoring.

**Features:** Arrangements are designed for both field show and stands use with maximum general effect written in.

#### MEGA SOUNDS SERIES | Grade 2½-3

**Instrumentation:** Two trumpet parts, low brass and woodwind parts 1 and 2 in both bass and treble clef. Optional alto saxophone part is provided that doubles the low brass and woodwind part 1.

**Features:** The instrumentation gives directors an opportunity to balance the lower voices to fit their needs. If few trombones are available, that part can be covered by the optional alto saxophone part. These arrangements are designed for both field and stands/pep band use. This is the perfect series for smaller bands that still want technically challenging arrangements.

#### BIG AND EASY SERIES | Grade 2

**Instrumentation:** Two trumpet parts, one trombone part. An optional baritone part is included, which doubles the tuba. Also, an optional clarinet part is provided, which does not go over the break.

**Features:** This series is designed for young or less-experienced groups, or for any group with limited rehearsal time. Limited ranges and rhythms that are big sounding, yet easy to play. A great variety of styles is presented.

**Optional parts:** B-flat clarinet, B-flat horn, tonal bass drums, electric bass / baritone B.C., baritone T.C., baritone saxophone.

#### EASY POPS SERIES | Grade 2

**Instrumentation:** Similar to the *Big and Easy* Series, except that there are low brass and woodwind parts 1 and 2 in both treble and bass clefs.

**Features:** Pop/rock oriented material perfect for the stands or pep band, as well as auxiliary features and production numbers.

#### VERY EASY POPS SERIES | Grade 1½

**Instrumentation:** Single parts for trumpet, trombone/baritone, horn, tuba, clarinet and flute. Tenor saxophone doubles trombone/baritone, and baritone saxophone doubles the tuba. A bass drum part for single pitch is provided.

**Features:** These arrangements are intended to be performance ready for high school bands in a hurry. Great for young bands as well, the arrangements are short and to the point and are written to sound full with any size band.

All arrangements in every series (except the Diamond Series) include Keyboard/Synthesizer, Electric Bass, and Drumset parts for pep band performance.

## DRILL DESIGN SOLUTIONS

These marching band field shows have been skillfully prepared for all levels. From novice, (minimal movement) shows, all the way to competitive productions, these incredible tools are not “one-size-fits-all,” but, rather, total immersion packages created to match the skills of each specified ability level.

Combine the popular and well-written musical arrangements with drill designs by the nation’s most respected designers and you have this MSC Collection. Each show is affordable and easily adaptable to your group’s size. Optional teaching tools are provided to assist limited staffed programs, all at a price you can afford.

You’ll find the following features in every package, just waiting to empower your group to reach its highest potential:

- **Complete musical arrangements, including full score and individual parts**
- **Complete drill design (All drills are charted with percussion and color guard)**
- **8–10 adaptable wind sizes that will fit your group size**
- **Additional options to produce/customize your show**
