SERIES GUIDELINES

DIAMOND SERIES (Grade 3–4)

Instrumentation: Full marching band instrumentation with three trumpet parts and two trombone parts. Woodwind parts are written for maximum projection and have independent scoring.

Features: Arrangements are designed for both field show and stands use, written with maximum general effect.

MEGA SOUNDS SERIES (Grade 2½–3)

Instrumentation: Two trumpet parts, low brass and woodwind parts 1 and 2 in both bass and treble clef. Optional alto saxophone part is provided that doubles the low brass and woodwind part 1.

Features: The instrumentation gives directors an opportunity to balance the lower voices to fit their needs. If few trombones are available, that part can be covered by the optional alto saxophone part. These arrangements are designed for both field and stands/pep band use. This is the perfect series for smaller bands that still want technically challenging arrangements.

BIG AND EASY SERIES (Grade 2)

Instrumentation: Two trumpet parts, one trombone part. An optional baritone part is included, which doubles the tuba. Also, an optional clarinet part is provided, which does not go over the break.

Features: This series is designed for young or less-experienced groups, or for any group with limited rehearsal time. Includes limited ranges and rhythms that are big sounding, yet easy to play. A great variety of styles is presented.

Optional parts: B-flat clarinet, B-flat horn, tonal bass drums, electric bass/optional baritone B.C., optional baritone T.C., baritone saxophone.

EASY POPS SERIES (Grade 2)

Instrumentation: Similar to the Big and Easy Series, except that there are low brass and woodwind parts 1 and 2 in both treble and bass clefs.

Features: Pop/rock oriented material perfect for the stands or pep band, as well as auxiliary features and production numbers.

VERY EASY POPS SERIES (Grade 1½)

Instrumentation: Single parts for trumpet, trombone/baritone, horn, tuba, clarinet, and flute. Tenor saxophone doubles trombone/baritone, and baritone saxophone doubles the tuba. A bass drum part for single pitch is provided.

Features: These arrangements are intended to be performance-ready for high school bands in a hurry. Great for young bands as well, the arrangements are short and to the point and are written to sound full with any size band.
