## Dear Fellow Guitarists,

First and foremost, thank you for helping people experience the joy of making music! Within these pages, you'll find an abundance of resources for learning, teaching, and playing the guitar in a wide variety of styles and genres.

I'm really excited to tell you about what we have been up to. Over the past year, we've worked to make learning and playing the guitar easier and more convenient than ever before. Audio accompaniments, play-along software, and video lessons are now available online to stream or download, giving you and your students the ability to improve your skills anytime and anywhere. We've upheld our high standard of releasing official, artist-approved TAB songbooks by your favorite bands and artists, including Led Zeppelin, Chicago, The Who, Graham Nash, Glen Hansard, and more.

Whether you're brand new to playing, or have been playing for years, we've got something that will take your skill to the next level. Our job is to help you continue to experience the joy of making music. Yours is to just keep playing.

Enjoy!

Fun and friendly characters provide guidance throughout the course.

Counting aids in rhythmic understanding.

**Three Chords in One Song**

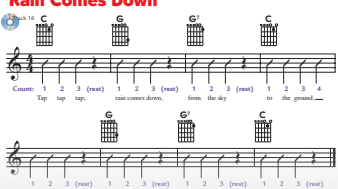

C G<sup>7</sup> G

**Remember:**  
This song has three different chords in it. At first, take your time and play slowly so that all the notes sound clearly. Don't forget to be silent for a beat on each quarter rest as you change to a new chord.

**Rain Comes Down**

Count: 1 2 3 (rest) 1 2 3 (rest) 1 2 3 (rest) 1 2 3 (rest)  
Tap tap tap, rain comes down, from the sky to the ground.

1 2 3 (rest) 1 2 3 (rest) 1 2 3 (rest) 1 2 3 (rest)  
Tap tap tap, hear the beat, Rain drops fall all a-r-r-r-r!

# Belwin's 21<sup>st</sup> Century Guitar Method

## Teaching with Style

How do you teach the fundamentals of the guitar in a way that keeps your students actively engaged? By using a complete course that puts lessons in the context of popular styles and classic tunes.

Used to teach beginning guitar students (recommended for ages 8 and up), *Belwin's 21st Century Guitar Method* introduces each new topic at a progressive speed—using both music notation and TAB. The new, second edition features exciting, brand new video content and companion audio tracks and play-along software—all conveniently available to access online for optimal practice. Correlating theory, ensemble, rock, and pop play-along books complete the experience by integrating more advanced concepts and techniques, all while keeping the learning process fun.

### Students will:

- Experience many styles of music like rock, pop, folk, and classical.
- Establish a foundation for note reading, chords, strumming, and rhythms.
- Use TAB as an aid to learn new material.
- Be introduced to the blues form.
- Play duets with their teacher or use the CD for play-along accompaniments.
- Learn lead guitar and rock rhythms through unique Rock Workshop sections.

***"This is the best book I have found for the beginning student. I use it for my students and it gives enough of an overview grounded in theory that it gives the student a real understanding of music mixed with various techniques."***

# Alfred's Teach Yourself to Play Guitar

## Be Your Own Teacher

Have you always wanted to learn how to play the guitar, but at your own pace? On your own time? You can, and *Alfred's Teach Yourself to Play Guitar* helps you do just that.

Now, you're the teacher *and* the student. Flip through the first few pages of this method, and you'll find expert advice on purchasing the right guitar for you, detailed photos that show you how to sit and hold it, and complete diagrams that name the parts of different kinds of guitars. You will then acquaint yourself with musical notation, tablature, and chord diagrams—all at a speed that works for you.

By the time you finish, you'll have mastered the basics—notes, scales, chords, rhythms, and songs in various styles—and you'll understand advanced techniques like bends, slides, and palm muting. Now you can join a band! The best part? The gratification of teaching yourself how to do it all.

### You'll be able to:

- Establish a diverse palette of styles that include rock, blues, jazz, country, classical, and folk.
- Teach yourself new concepts, lesson by lesson, through songs and exercises.
- Use included resources such as a dictionary of advanced techniques in tablature, note chart, and fingerboard chart.
- Practice and play along with the correlating CD.
- Follow along with clear video instruction on the available DVD.
