# CHORALS

## VOCAL COLLECTIONS & CHORAL RESOURCES

# Dear Choral Director,

20 years ago I was invited to join Alfred Music as the Director of School Choral Publications. I began quite a journey in September of 1989, one that started with a release of 46 Alfred Choral Designs titles the following spring. Happily, many of those first publications have become staples of choral libraries everywhere, including Jay's rhythmic "Cantate Domino," my crazy "The Reindeer Rap," Dave and Jean Perry's joyous "Sing a Jubilant Song," Sherri Porterfield's exquisite "Kyrie," and Alfred Music's perennial top seller "The First Noel/Pachelbel's Canon" arranged by Michael Clawson.

Since that time, the growth we've experienced is due in large part to the support of choral directors like you, who have encouraged us in so many ways. But we must also thank the people at Alfred Music, who have never wavered in their belief in us and in choral music education.

### Highlights this year include:

- A fabulous 10-minute medley from *Seussical The Musical* (p. 5)
- New & top-selling vocal collections (pp. 18-21)
- A listing of new & favorite Reproducible Books (p. 24)
- Johnny Mercer 100th birthday celebration choral listing (p. 7)
- Exciting new elementary publications & sight-singing text (pp. 22-23)
- Many new price-saving choral collections (pp. 26-27)

Enjoy listening to these new publications for 2009–2010. And we hope you'll visit us at [alfred.com](http://alfred.com) to keep up to date with our ever-growing catalog. Please order Alfred Music publications from one of the fine music dealers listed on page 29.

Sincerely,

Sally K. Albrecht | Director of School Choral and Classroom Publications

**THE WINTER'S NIGHT**

Nicholas Myers

**In case you missed it ...**

Composer Nicholas Myers is currently finishing up his senior year as a music major at Bradley University in Peoria, IL. This choral work took our breath away when we first heard it. Both the music and the strong lyrics evoke the sound and chill of a deep winter night, "quiet and still, while all the world's asleep ... dreams pure as white, white as the snow." Absolutely stunning. The choral writing is straightforward, yet fresh and contemporary. A concert choir work of great depth.
