**The Snowman Suite***By Howard Blake*

Raymond Briggs' charming Christmas story of the boy who builds a snowman who comes to life, and their adventures together, has become a children's classic. It's popularity has been further enhanced by frequent television broadcasts of the award winning cartoon film *The Snowman*. In this easy piano suite, composer Howard Blake recreated the story in words and music based on the scenes from the film. The music, which includes the hit song *Walking in the Air*, is easy enough to be played by pianists of all ages and abilities.

STAR WARS

**5 Finger Star Wars***By John Williams / arr. Tom Gerou*

Ten of the most memorable pieces from the *Star Wars* films have been arranged in traditional five-finger style, with the melody split between the left and right hands, and without key signatures in the solo part. Starting hand positions are illustrated above each piece. Fingerings that are outside the noted five-finger positions and those indicating a shift in hand position are circled for easy identification. Dotted quarter notes, triplets and sixteenth notes have been avoided. All of the melodic arrangements have optional duet accompaniments created to achieve a fuller, richer musical experience. Titles: *Across the Stars* ("Love Theme") • *Anakin's Theme* • *Cantina Band* • *Duel of the Fates* • *The Imperial March* ("Darth Vader's Theme") • *Luke and Leia* • *May the Force Be with You* ("The Force Theme") • *Princess Leia's Theme* • *Star Wars* ("Main Title") • *Yoda's Theme*.
