Rialto Ripples

By George Gershwin and Will Donaldson

arr. Jim Lyke

"Rialto Ripples" is George Gershwin's first published instrumental and his only piano rag. It has all the hallmarks of Gershwin's piano style merging ragtime with a piano novelty number. It's fun, it's delightful, it's a toe-tapper, and smile-maker. This wonderful rag is accessible to intermediate level pianists but will attract advanced players, too. A great addition to recital and encore lists!
