

# Alfred Music Submission Guidelines

## For Concert Band

At Alfred Music, we believe that everyone should have the opportunity and necessary information to submit music to be considered for publication. We encourage composers of all backgrounds and levels of experience to create and submit music for review.

In addition to full-time composers, teachers are very often some of the best writers of educationally focused music—finding the balance between art and education is a challenge, but one that we encourage you to try. The framework that follows is designed to aid in the creation of music that fosters the education and growth of instrumental music students from all over the world. Please view these as guidelines rather than rules, as musical context is also very important in defining grade levels. Music that is submitted must be in the public domain or an original work. The instrumentation must align with our offered series, and works must be intended for the educational market.

Our catalogs are not without limits—with that in mind, please do not be discouraged if your submission is not accepted for publication. Publication decisions are multifaceted; if a piece does not move forward for publication that is not always an indication of the quality of the writing. Also, with the number of submissions we receive, it is impossible to provide specific feedback about why a piece may not have been accepted. We sincerely appreciate your understanding and want you to know that every submitted piece will be reviewed and responded to. Thank you for considering Alfred Music as a home for your music!

*Please begin the submission process by reviewing our most recent releases to ensure that your creative work is targeted to our audience and in alignment with our guidelines. View Alfred's most recent band releases [here](#).*

## Very Beginning Band GRADE ½

**Instrumentation:** Flute, Oboe, Clarinet, Bass Clarinet, Alto Saxophone, Tenor Saxophone, Baritone Saxophone, Trumpet, Horn, Trombone/Baritone/Bassoon, Tuba, Mallet Percussion, Percussion & Optional Timpani.

**Special Considerations:** Utilizes only the first few notes presented in most beginning band methods (most restrictive for holiday selections); designed for both instruction and performance during the first year. Limited use of repeated-pitch eighth notes as the most complex rhythm combined with solid scoring and extensive cross-cueing permits successful performance with incomplete or unbalanced instrumentation; limited percussion instrumentation constructed without rolls.

## Beginning Band GRADE 1–1½

**Instrumentation:** Flute, Oboe, Clarinet, Bass Clarinet, Alto Saxophone, Tenor Saxophone, Baritone Saxophone, Trumpet, Horn, Trombone/Baritone/Bassoon, Tuba, Mallet Percussion, Percussion & Optional Timpani.

- Percussion should be thoughtfully involved with optional timpani (2 drums).
- Variations on these guidelines may appear in some of our published music as guidelines have been adjusted to meet the needs of the industry over time.
- Our grade levels and ranges are based on the context of the music, appropriate educational challenges, and musical needs.
